

Side- og sidebundhængte vinduer

Andre muligheder

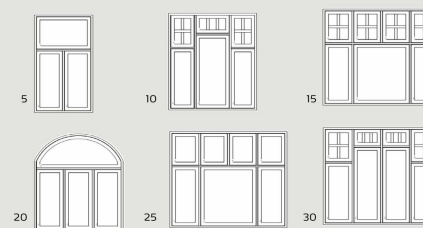

Dannebrogs vinduer

Klassisk og stilrent design - STM producerer vinduer, der indfrier de æstetiske krav, når vi taler om renovering

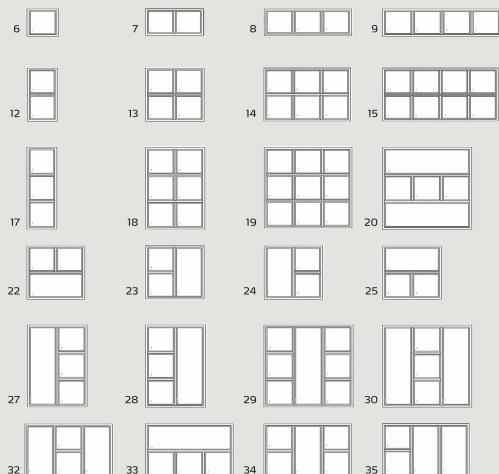

Andre muligheder

Topstyret og topvende vinduer

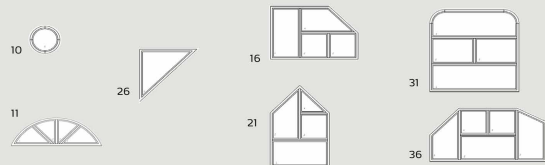

Faste karme

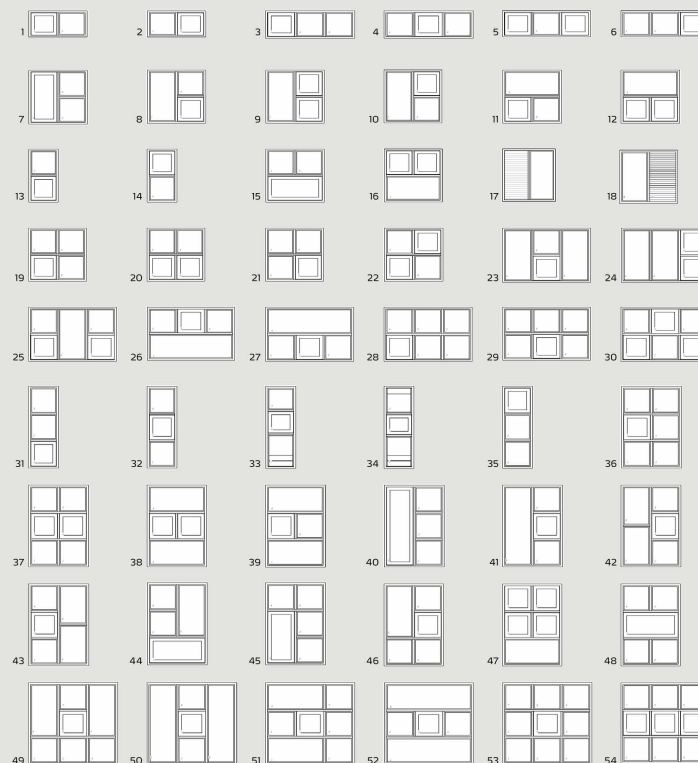

Sideparti

Andre muligheder

Kombination

Den fremtidssikrede konstruktion - STM anvender i træ/alu produkterne kompositmateriale i vinduesfalsene - en konstruktion, der tilføjer elementerne gode isoleringsværdier samtidig med, at de er vedligeholdelsesfrie.
